

LUSBY

MOODY & LUSBY.

talking about our thes we omit the nical terms which might confuse the average man.

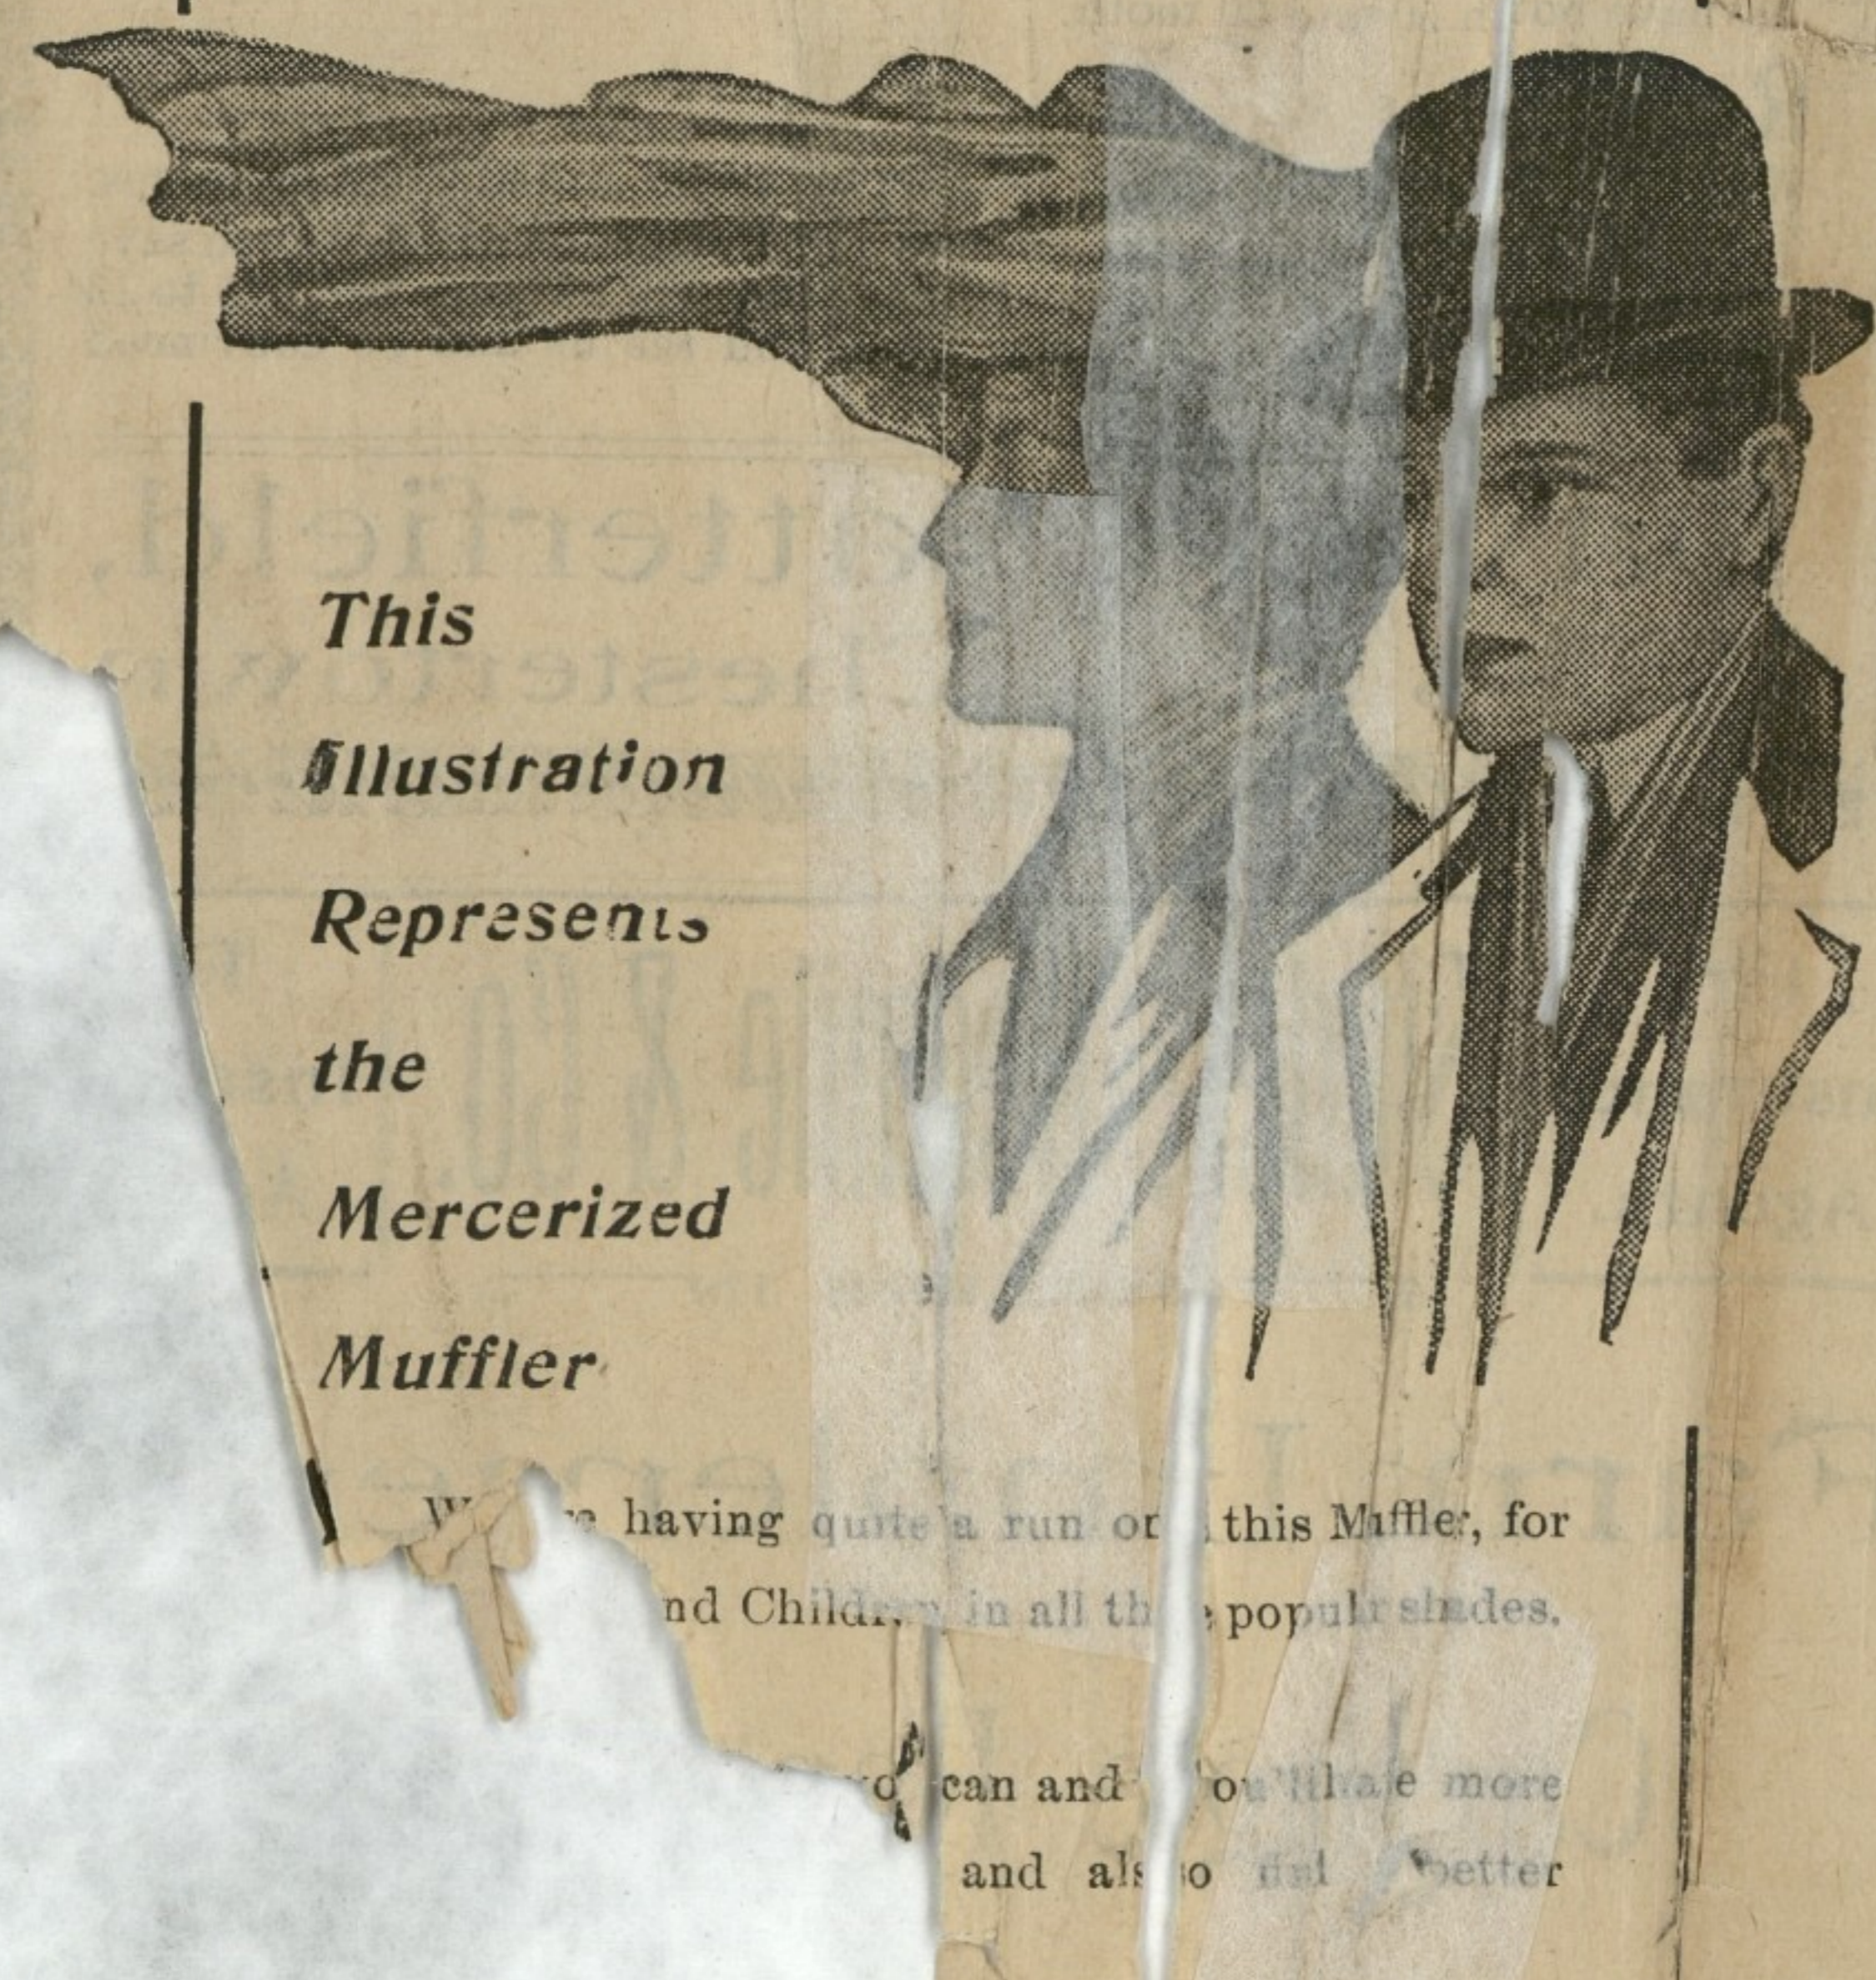

We will say simply and plainly that every inch of cloth used in the making of MOODY & LUSBY CLOTHES is guaranteed absolutely, whether you pay \$10.00 or as much as \$15.00, you'll get "value" which will assert itself in the wear the clothes afford you.

We lay great stress on the subject of "Fabrics" it is important enough to deserve the serious thought of every man. If you buy a stylish looking suit, all put together, perhaps, but made of poor fabric, cannot possibly retain its shape or style.

Buy clothes which carry with them a guarantee of responsibility. Buy from a house that the established reputation is sufficient to convince you that you are safe on the quality question, both inside and outside of the garment.

The same rule applies to our Boys' and Children's Clothing. Everything has got to be right, viz.: "Cloth and Trimmings."

Come in at your earliest opportunity, for the nearer to the holiday rush the less satisfaction to you - making up your holiday list we might be of service to you by enumerating some things useful and appropriate, viz.: Suit or Overcoat for man, boy or child, Hat or Cap, Gloves, Underwear, Cardigan Jacket, Dress Suit Cases, Hosiery, Handkerchiefs, Neckwear, Suspenders, Silk Mufflers, Umbrellas, Cuffs, Collars, Shirts, Gum Coats, Rain Proof Coats, &c. Any of these things will make lasting and appropriate Christmas Gifts.

We are having quite a run of this Muffer, for it is a very useful and comfortable article, and also a very stylish one.
