## PORTLAND CEMENT—only 2% of home building cost

NO home is built today without Portland Cement. Yet the cost of the Portland Cement used in the average home is only 2% of the total cost.

That 2% adds to fire protection, to health, to permanence. Your building material dealer is a merchant of necessities. His advice is sound—on types of construction, on brands of materials.

**ATLAS PORTLAND CEMENT**

"The Standard by which all other makes are measured"

## JULY 4TH

The world makes way for the man who knows where he's going  
Experience has long since taught the folks of Kent and Queen Anne's where to go for

### DELICIOUS WHOLESOME ICE CREAM

"The Home-Made Kind"

## FRIENDS NOTICED IMPROVEMENT

### Wonderful Results from Lydia E. Pinkham's Vegetable Compound

Beloit, Wis.—"My female trouble was brought on by overwork. I had worked in stores and had to do heavier work than my strength could stand, and had to be on my feet most of the time. Finally I had to give up this work entirely and stay at home. Doctor's medicine did not give me much relief, and my mother wanted me to take Lydia E. Pinkham's Vegetable Compound. I took a couple of bottles of it and thought it did not help me as much as it should, so I gave it up to try something else. Nothing I took helped me much, so I finally decided to give the Vegetable Compound another trial and to take enough of it to make sure it would help me. I have taken it over a year now and it has brought wonderful results. I have gained from 33 to 110 pounds and am keeping house now. My friends all notice the change in my health. I will be glad to answer all letters that women write to me about the Vegetable Compound."—Mrs. W. G. Monson, 1515 Park Ave., Beloit, Wis. Mrs. Monson is willing to write to any woman suffering from such troubles.

We wish to thank you for your co operation in helping us to maintain Quality, Service and Economy Prices.

Without your help this would have been impossible.

THE ENGINE IMPROVES WITH USE

## THOSE WHO KNOW

## The Experienced Chauffeur

knows that it pays to give a motor the best possible protection. You get finer and longer service out of it. He knows, too, that you can depend on Polarine wherever you get it, in can or in bulk. It receives 56 manufacturing and inspection tests. It is a straight petroleum oil—in different consistencies for different motors—one standard, highest quality. Large volume production by modern methods makes possible its reasonable price. Protect your motor with the finer lubrication that Polarine gives.

STANDARD OIL COMPANY (New Jersey)

SAY "POLARINE"—NOT JUST "A QUART OF OIL"
