We were surprised to read in the News last Saturday that some of our schools closed on 13th. We understand that there was but one school closed before the usual time and that was on account of the sickness of the teacher. It is a fact that our schools are in better condition in every respect today than ever before and the management was never in better condition in every respect today than ever before and the management was never in better condition in every respect today than ever before and the management was never in better condition in every respect today than every before and the management was never in better condition in every respect today than every before and the management was never in better condition in every respect today than every before and the management was never in better condition in every respect today than every before and the management was never in better condition in every respect today than every before and the management was never in better condition in every respect today than every before and the management was never in better condition in every respect today than every before and the management was never in better condition in every respect today than every before and the management was never in better condition in every respect today than every before and the managemen ordinary stores, and have put extraordinary webb; alternate, Emily A.
