LIVE CHURCH NEWS. Rev. Milton McCann will preach at Bond and Mowbray Chapels on Sunday, March 29, tomorrow. All are invited March 29, tomorrow. All are invited Advice to Women.

Every young girl who suffers monthly,

Every woman who is approaching maternity, Every woman who feels that life is a burden,

Every woman who has tried all other means to regain health without success, Every woman who is going through that critical time — the change of life is invited to write to Mrs. Pinkham, Lynn, Mass., in regard to her trouble, and the most expert advice telling exactly how to obtain a CURE will be sent absolutely free of cost.

The one thing that qualifies a person to give advice on any subject

is experience — experience creates knowledge. No other person has so wide an experience with female ills nor such a record of success as Mrs. Pinkham has had.

Over a hundred thousand cases come before her each year. Some personally, others by mail. And this has been going on for twenty years, day after day, and day after day.

Twenty years of constant success—think of the knowledge thus gained! Surely women are wise in seeking advice from a woman with such an experience, especially when it is free.

Mrs. Hayes, of Boston, wrote to Mrs. Pinkham when she was They Promptly Agree to Let Liquor in great trouble. Her letter shows the result. There are actually Alone—Five Hundred Lads in St. | thousands of such letters in Mrs. Pinkham's possession.

"DEAR MRS. PINKHAM: - I have been under doctors' treatment for female troubles for some time, but without any relief. They now tell me I have a fibroid tumor. I cannot sit down without great pain, and the soreness extends up my spine. I have bearing down pains both back and front. My abdomen is swollen, I cannot wear my clothes with any comfort. Womb is dreadfully swollen, and I have had flowing spells for three years. My appetite is not good. I cannot walk or be on my feet for any length of time.

"The symptoms of Fibroid Tumor, given in your little book, accurately J. W. Talley, managing editor of Peninsula abstain from the use of intoxicating describe my case, so I write to you for advice."—Mrs. E. F. HAYES, 252 Dudley St. (Boston), Roxbury, Mass.

"DEAR MRS. PINKHAM: - I wrote to you describing my symptoms, and Rev. D. L. Greenfield preached a promise, and they gave it with a hurrah, asked your advice. You replied, and I followed all your directions carefully "The use of Lydia E. Pinkham's Vegetable Compound, together

with your advice, carefully followed, entirely expelled the tumor, and strengthened the whole system. I can walk miles now. "Your Vegetable Compound is worth five dollars a drop. I advise all women who are afflicted with tumors, or any female trouble, to write you for advice, and give it a faithful trial." - MRS. E. F. HAYES, 252 Dudley St. (Boston), Roxbury, Mass.

Mrs. Hayes will gladly answer any and all letters that may be addressed to her asking about her illness, and how Mrs. Pinkham helped her.

\$5000 FORFEIT if we cannot forthwith produce the original letter and signature of above testimonial, which will prove its absolute genuineness.
