Some of the finest asparagus grown in the county is with this goods. Ask Mr. James Bell, Mr. Klinefelter and Mr. Crew what it MARION T. MILLER, Rock Hall, Md. did for them.

IRONSHIRE, MD., MESSRS. T. R. HUBBARD & Son-Gentlemen: I had heard so much of your Corn Phosphate that I determined to give it a trial. I had two pieces of ground, the quality of which was as near alike as possible. I used yours on 2,045 hills, and H. & T.'s "B" on 2,719. Your plot had nearly 700 hills less and gave within busdel (actual measurement) as much Corn as the other, and it cost \$7.00 more per ton than yours. I am frank to say yours is the best Corn Phosphate I ever W. H. BASSETT.

You fertilize your wheat, why not your corn? It will pay. We have many customers who use it year after year. Such gentlemen as I. R. Leaverton use it annually, and farmers like Ham L. Crew have used it for 10 or 12 years, and J. Alfred Bramble says it pays him handsomely. And where will you find better or more successful farmers than these gentlemen?

We have one man in Delaware already ordered 70 tons. We have two more in Maryland who have their orders booked now for 20 tons each, and so on we could give them to you by the score.

Well, you have heard about our Peerless. Mr. Jacob Shriley says it is the best goods he ever saw for tomatoes. Mr. Stewart Graham writes where Peerless went alongside another goods; one looked like manured and the other as if it had none, and that Peerless yielded over one-third more tomatoes.

Mr. B. H. Moore writes: "I used Peerless on 2 acres, sold 271 tons at 12 cts. per basket; netted me \$198.40" D. F. Loose says one ton netted him \$96.00 more than another ton of \$18.00 goods alongside- C. R. Dashiel says he would have it if it cost \$50.00 per ton. Smith, Rouse & Webster, the great canners, say they never heard of goods spoken of more highly. We can furnish hundreds of testimonials. Many have told us their yield from it was four and five tons more per acre.

FORSWINEY CURE stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
