CHESTERTOWN, MD., SATURDAY, NOVEMBER 5, 1904.

WellMarked

Our Fall and Winter Clothing for Men, Boys and Children is in, and marked as usual—in plain figures. We open the line with much the same feeling of confidence that a fellow enjoys when he knows he has a good thing. We never thought that a suit could fit too well, nor look too nice, but they can cost too much and the selection can consume too much of your time. And while ready made clothing is immeasurably better than it use to be, we're spared no pains to get the best. Now is the time to get your FALL SUIT.

KILLED A HORSE!

Mr. James T. DeCourse, of Pomona Tuesday found one of his best driving horses with a pistol or rifle shot wound in its thigh. The animal was turned out to pasture. Whether the shot was notified the result of an accident or design is not known. A party of gunners were seen in the field the day of the accident and neighbors report them very reckless. Indeed one of the farmer's wives said she was afraid to go outside the house Thos.
