F. H. HARPER & SON,

Falling hair means weak hair. Then strengthen your hair; feed it with the only hair food, Ayer's Hair Vigor. It checks falling hair, makes the hair

grow, completely cures dandruff. And it always restores color to gray hair, all the rich, dark color of early life.

### MACADAM ROADS.

ment to the residents of Maryland counties in their determination to take ad-Mr. and Mrs. Raymond Bonwill, of vantage of the liberal provisions of the new State and road law. While it is generally admitted that the construction of modern roads throughout the state Miss Ellen Bacon, the efficient tele- must necessarily be gradual, the results comparatively short time as the econo

of the new roads are recognized. Port Huron tells its own lesson. In 1900 there was not a rod of macadam road in Port Huron. As a result of a sample road built in that year, 1904 found the township in possession of nearly four miles of good macadam Miss Gertie Copper is the guest of Mr. where the road tax was employed each and Mrs. J. T. Sweeney in Wilmington. year toward building a piece of macadam. The rest of the township had nothing Mrs. Annie Tavlor, sister of Mrs. J. for a large tax which had been frittered W. Lambert, fell down stairs at her away on temporary and wasteful repairs

The good macadam roads however in surprise social took possession of the Senator Garret Foxwell, of Blacks, the fortunate district, had become

The sample road which is responsible prise to Mrs. Smith and her mother, Mrs. Isaac Duyer, of Worton, has for this wonderful improvement was only half a mile in length, but as soon as finished it took all the travel, and were macadamized also. As to economy, for four years this sample road has had Mr. and Mrs. Thomas Gale, of Worton, a heavy traffic but has needed but slight

a liberal estimate of the amount of new material required, more than one-half

more; Misses Iris Anthony, Carrie I. been guests of Mr. C. N. Satterfield and Port Huron's experience is proof that no county of Maryland can neglect the opportunity offered by State aid for the building of modern stone roads unless its future welfare is entirely diregarded. The counties which take advantage of the law have at their disposal the apportionment of those which do not want State roads, and the counties which are thus callous in the matter, will, in a few years, see other counties which wise which a good road system brings. Macadam roads once built are cheaper in the end, as repairs have to be made only at long intervals. Some of the Massachusetts roads have been repaired for ten or twelve years with only a few Mr. L. Lee Alrich, representing the loads of stone, and they are still as good

## LADIES AND THEIR FURS.

Often More Imposed Upon in Other Things Than in Love.

NEWS may be able to judge for them-We are sorry to state that our highly selves what kind of furs to select. esteemed citizen, Mr. Josiah Lusby is Ladies of course, are the principle pur-

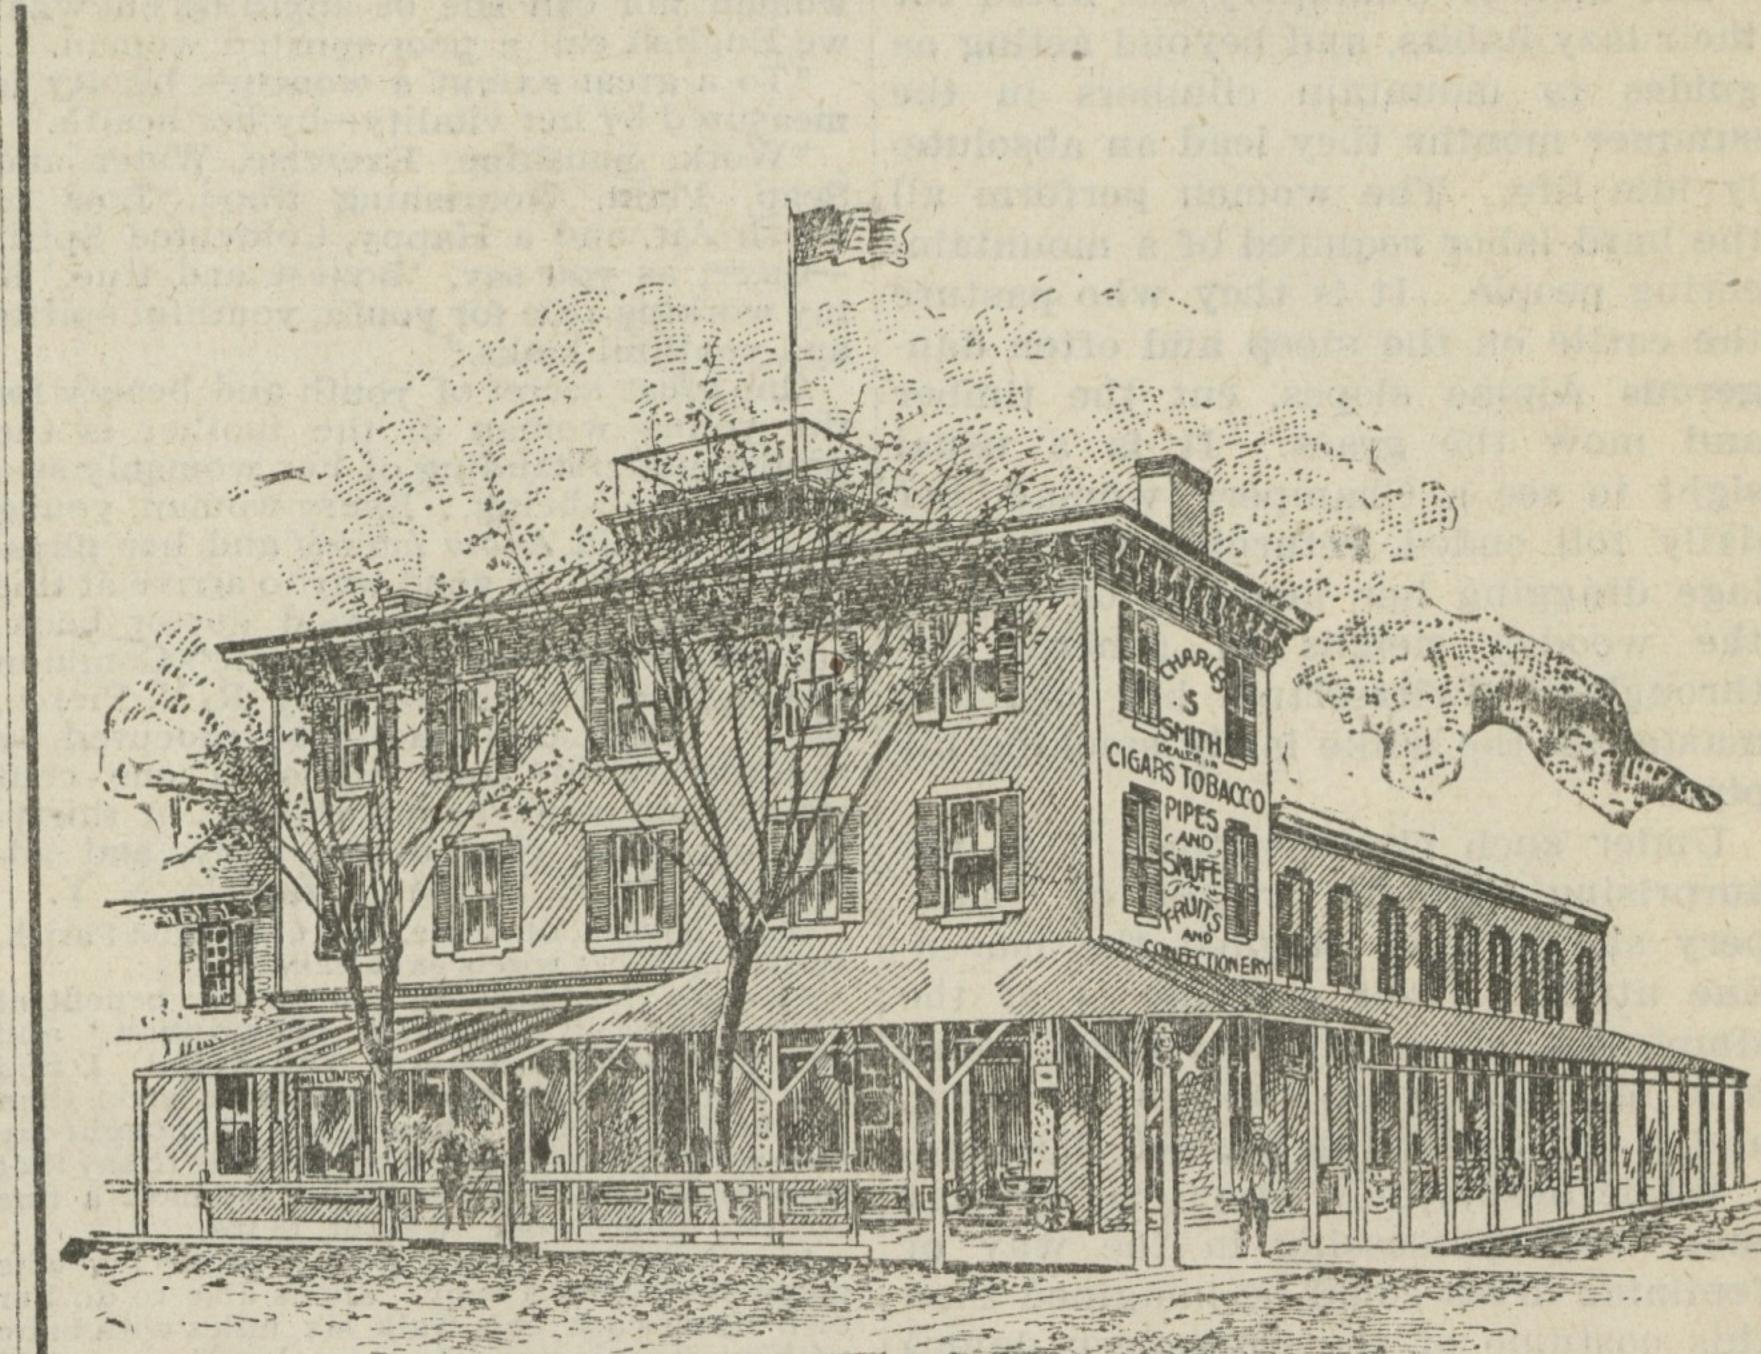

chasers of this great luxury. "Now, bear in mind, that the bear, mink, fox, raccoon, black muskrat, are Mr. and Mrs. Joseph Downey, of Rock never dyed, therefore, I would advise Hall, have been guests of their daugh- all purchasers to get for their own wear, animals, which are caught in this country as the dyed fur, such as oppossum Mrs. Charles Blessings, of Chicago, brown muskrats and rabbits, are of a Ill., has been visiting her father, Mr. cheaper grade, and will not look as well as the natural colored animals, which of being congratulated on the arrival of a are dyed the sellers can call them imspecial guest at their home. The visitor itation of seal, sable or wolf, or give them some fancy name, for all there is in it, as they are well aware of the fact

Next, is the Russian sable, then comes the sealskin; next, the Thibet goat from China, and next comes martens

because they have a larger variety abroad high-priced goods. Our principle production is from the muskrat, which is used for boas, muffs, caps, gloves and hats. There are about 3,000,000 caught annualy in this country. I have myself shipped as high as 26,000 in one season, say nothing about other furs which I handle. Rabbits are not generally tanned; the furs are clipped and manfactured into

hats of all shapes and colors. "The equirrel, the ground hog and the weasel are of no value to us as they have hair coats instead of fur. The black cat pelt is worth more than opossums, as grown in this country, and are often sold as sable or marten. I have noticed

of each of these furs, and every animal which I have mentioned. The black grades are the best and more expensive for instance the black mink is worth \$2.00 in the raw state, the brown mink is worth \$1.00 the cotton mink 50 cents, Allow me to tell you that their is more deception in furs, than there is in jewelery and would advise your readers to deal only with reliable furriers. Whenever they are looking for any thing in that line, I am always ready to select for my lady friends, and see that they

other roads grew up in weeds until they were macadamized also. As to economy, Having sold the above building solely because of my determination to quit merchandising on account of my health, I hereby offer for sale, as a whole, my
