Talk Here Is Backed by Deeds

TWICE A YEAR almost every retail establishment has a grand Clearance Sale, in which all odds and ends of a six months' accumulation of business must be swept away by the mighty brooms of little prices for dependable goods.

If you reflect you will recall how the wise buyers feasted on the bargains in our January sale of winter wearables, and now, as the morn of August dawns upon us, we offer you the remainder of our Summer

Goods. The advance guards of Fall Stocks will soon be trooping in—they need the shelf and counter room taken up by the fag ends of Spring and Summer Stocks. The latter must be rid of. There is one way to do it, and that is by placing upon them prices so small as to induce every bargain-loving man, woman and child within a reasonable radius of our store to visit us. The wee small figures are on 'em—they will move. Get in line.

Ladies' White Shirt During the month of July we had a Waist Suits special sale of these garments at 4 off selling price, and the majority of them were closed out. There is just a few of each left —say two dozen in all—the \$3.00 ones, on up to \$6 50, are in one bunch Well, just two dozen lucky ladies will wear these suits. First come, first served.
