In despair the chef, a Frenchman, decided to "take the bull by the horns" and procure another fish to do duty for the coveted salmon. Accordingly he sat to work to turn cod cutlets into salmon cutlets, and this rapid transformation was soon effected by an addition of vegetable juice. The waiters, who naturally were aware of this wholesale deception, were given express orders to report any complaints to the chef at once. However, to the intense delight of the chef, all passed off well, and on hearing that his subterfuge had not been detected he gleefully exclaimed, "Ah, a cod and a French cook

can work miracles." Green peas at certain seasons of the year are naturally a luxury quite beyond the reach of the man of average means, while even caterers for fashionable hotels themselves frequently have ficiently large quantity to meet the demand. However, to fake peas does not offer any great difficulty in times of stress, and by adding vegetable colorwith the duck and flavorless new potatoes, which more often than not
