GETS 5,000 CATS

Neleigh, Neb., Dec. 25.—The substitu-Sioux City, Omaha and local newspapers has caused John C. Trothers, a grain merchant here, all kinds of trouble. Trothers, wishing to replenish his supply of oats, concluded to advertise.

Writing his advertisement on a typewriter, he manifested it and sent copies "Wanted — Delivered on track at Neligh 10,000 bushels of cats. Will pay High and Mill Streets

highest market price." Not noticing the error he awaited results which came sooner than he expect-Within a week cats of all kinds and descriptions commenced to arrive consigned to Trothers. Some were sent prepaid and others collect. They came from the East, the West, the North and the South. The agent of the Northwestern road became alarmed. He was being swamped with cats and wired the superintendent for instructions That

Still cats continued to arrive, and sti Trothers refused to accept the felines. but his troubles did not end there. Boys about town had learned that he was in the market for cats. They commenced to catch the strays and take them to his place of business. Some days last week he refused as many as 500 cats brought by boys and three and four times as

many coming by rail. It is estimated that fully 5,000 cats have been shipped into Neligh, and the end is not yet. They are becoming a nuisance, and the City Council is about to take action and order a slaughter of the animals.
