## The Reason Why

We Sell More

Building Materials of all Kinds Lumber and Mill Work

Than Our Competitors

Is Because We Undersell Them

Our Prices are always less than the other fellow wants for the same goods. If you don't believe it, ask us for a price on something. We are after the business, and to get it we will give prices that can't be beat. Don't be misled on Quality and Grading. You know there's a difference, but you can't always detect it. The unscrupulous dealer knows this and takes advantage of your inexperience by giving you lower grade than you pay for. Our Quality is absolutely guaranteed. Our Grading is standard among the thousands Who Know. Send Us An Inquiry To-day.

> We're out to undersell the other fellow and save you money—and we do it.

### IN MEMORIAM.

In loving but sad remembrance of Mary, the beloved daughter of Nathaniel and Annie C. Ashley, who died six years ago today, February 3, 1905, aged 6 years. Six years have passed, our hearts still sore, As time flies on we miss her more. She sleeps, we leave her in peace to rest, The parting was painful but God knoweth best. Soon the winter storm be over.

And the Spring comes fresh and fair. We will meekly kneel beside her And plant her chosen flower there. PAPA, MAMA AND SISTER.

In sad but loving remembrance of my dear friend, Mrs. A. Scott, who departed this life 3 months ago, Feb. 3. Oh how I loved my dear friend. No one on earth can tell,

But Jesus loved her better And took her home to dwell. BY A TRUE FRIEND.

We miss thee from thy place,
A shadow o'er our life is cast,
We miss the sunshine of thy face.
We miss thy kind and willing hand, Thy fond and earnest care, Our home is dark without thee. We miss thee everywhere.

Oh, mother, thy gentle voice is hushed Thy warm, true heart is still: And on thy pale and peaceful face Thy hands are clasped upon thy breast we have kissed thy marble brow, And in our aching hearts we know We have no mother now.

Peaceful be thy silent slumber,
Peaceful in thy grave so low.
Thou no more will join our number. Thou no more our sorrows know. let again we hope to meet thee, When the day of life is fled, And in Heaven with joy to greet thee, Where no farewell tears are shed. BY HER CHILDREN.

110 Bushels of Corn to the Acre.

Mr. J. W. Hall, of Marion Station, SEPARATE PREPARATION FOR writes as follows in regard to his success in growing Maryland Twin Corn: "Maryland Twin Corn was planted for the first time by me in May, 1910,

and not expecting to make a prize crop no fertilizer or manure of any kind was used on the land. After the corn began to grow and make ears it surpassed anything that I have ever seen. great many persons came to see the corn, and it was pronounced by all that the system. They prevent and cure disease. saw it to surpass any piece of corn seen | make feed go further and increase vitality by odds. After the fodder was saved and production. I got the county surveyor to come and lay me off an acre of land where the twin corn grew. Then I gave a press-ing invitation to all to come and see HAGUE & HACKETT, Still Pond, Md.

A. COHEN, Sandy Bottom, Md. the corn and make a guess as to what J. W. IVENS, Worton, Md. the acre would yield, and I would give W. E. B. FAITHFUL, Church Hill, Md. acre would yield, guessing 100 bushels

"The corn was gathered very late, when fully dry, and carefully measured was 110 bushels of shelled corn per acre, and weighed 581 pounds to the measured bushel. The extra pounds to the were not counted, which would have made nearly 5 bushels more. It grows well in light or heavy soil. It grows 10 to 12 feet high, 12 to 16 rows around a small white cob. The quality of the corn is unsurpassed and it shelled out F Inn Duilding better than other corn. It does not only make a large yield of corn but makes the most fodder of any corn I have seen and of the finest quality.
