Commissioner's office, Annapolis, April 5, 1785.

THE subscriber has the pleasure of informing the officers and soldiers of the Maryland line, that he hopes to be able to begin the delivery of the certificates for their final settlements on the first of June next. He informs the non commissioned officers and soldiers, that it will be necessary to produce their original discharges to enable them to be settled with; if they are by any accident lost, certificates from an officer, identifying the soldier claiming, &c. must be procured.

He also gives notice, that he has opened a book for the purpose of registering all transfers. Any person possessed of these, must apply, as soon as convenient, before the first of June, that all transfers may be regularly registered. Office hours, from six to eight o'clock in the morning and from nine till two o'clock in the afternoon.

JOHN HAMILTON, agent
for the Maryland line

Annapolis, April 4, 1785.

JOSEPH CLARK,

Architect, Builder, and Surveyor,

COMPOSES designs, draws plans, elevations, and sections of buildings of all kinds in civil architecture; makes out bills of scantling, and all other materials; makes calculations and estimates of the expence of the labour as well as the materials; values all kinds of work in buildings that is already executed; directs workmen, and surveys the execution of building; and will contract for the execution of any kind of building in civil architecture; surveys and plots lands, &c.

CARPENTERS.

I want to hire thirty journeymen carpenters; twelve months work will be insured them. I will give good encouragement to two men who understand lines, and have a capacity to command respect, and to lead a set of carpenters in their work.

JOSEPH CLARK.

Prince George's county, March 4, 1785.

ALL persons indebted to the estate of Mr. John Hams, late of Queen Anne, deceased, are requested to make immediate payment, and all those that have legal claims against the same are desired to send them in.

SIN. TON WOOTON, administrator.
