ig shot he was knocked down, and nped upon by some dozen men. His inds are of a serious character.

Ir. Henry Deal, an American, was cked down about seven c'clock and ly beaten, at the corner of Constitution French streets. He was struck from ind by a slung shot.

Officer John Hall, one of the special poof the 8th ward, was stabbed and badeut in several places, He is now lying his residence in quite a precarious con-

he Sure Road to Fame and Fortune.

We take it to be a demonstratable fact t no discovery or invention worth adtising at all can be advertised too exsively The man whose mental vision larkened by miserly instincts, whose I lies in his breeches pocket, cannot unstand this; and if such an one in his le-like groopings, should chance upon ne new and useful truth, he would be aid to take the shure road to celebrity, ich lies through the columns of the press t he should be ruined by the tolls. What outrast does the brilliant and beneficial eer of Prof Holloway present to the nd stupidity of such a man. Having fected, after many years of laborious earch and experiment, two remedies ich he knew, with positive certainty, re absolute specifies for nearly every innal and external malady incident to hunity, he determined at once to give em a wider publicity than any other dicine had ever attained. His motive s noble and benevolent. He felt that possessed the pewer of mitigating suffng and waging successful war with disses heretofore unconquerable, and like a od champion he fearlessly entered the

s. Had he been moved by avarice inad of philanthropy he could not have ken a surer or shorter path to wealth.e plan of advertising preparations, which tually accomplished all that empiricism d ever promised or medical orthodoxy empted, of course proved self remunetive. He flooded every nation with his vertisements, he pervaded the whole orld with his medicines, and the world paid him with a shower of gold. We rily believe that there is no possible eans of disseminating information among en that he has not adopted in giving noriety to his Pills and Ointment. The Hon. Mahlon Dickenson, of New rsey, once satirically likened the poles big flagstaffs, and we have little doubt at if they were flagstaffs Holloway would ntrive to have a bit of bunting nailed to

ch with his name and address inscribed on it. In fact, such is the enterprise d irrepressible energy of the man, that e should scarcely be surprised to hear off e virtues of his medicines being inscribed the desert sands of mid Africa or trad in the charge show that caps the peaks the Andes. His central office for this misphere (he maps out his advertising ound by hemispheres) 80 Maiden Lane. a principler assisting about the state ed adults out of our population of thirty llions who have not heard of Holloway's Ils and Ointment. Be this as it may, it a statistical fact, verified by the books

the establishment, that more than half nillion of persons have within that time rchased the preparations at the New ork Office and its Country Agencies .ould the amount of good they have affecd in that period, in the United States one, be computed and placed on record. would of itself form one of the proudest onuments of success to which zealous ilanthropy on the one hand and popular preciation on the other, have ever conbuted -N Y. Day Book.

## THE MARKETS.
