I have now in my possession a certificate from a gentleman to whom reference will be given to those who wish positive proof of the powerlarge space on the head was perfectly bald; Orders, post paid, for tickets and shares in but now, wonderful to behold, it is covered this rapid vegetation came to perfection in about two months by the use of not quite two boxes of the Vegetable Hair Cerate bought at my shop. I therefore, in full confidence recommend it to the public, that by attending to the method prescribed for using it, they will not be disappointed in their expectations.

JOHN LOVE. Sole Agent for the state of Maryland.

March 22 More proof of the wonderful effects of the Vegetable Hair Restorative Cerute, which I have just received in the following certificates from New-York, &c.

Northampton county, Penn. Jan. 22, 1824. Having observed in the Baltimore and Philadelphia papers the wonderful effects the Vegetable Cerate has produced on numbers of persons, and having the misfortune to lose my hair about two years ago, I purchased some of the article and made use of it according to the directions, and in about four months I had an elegant coat of hair, and I can safely say it is one of the greatest discoveries ever made as it respects restoring the hair.

JAMES WOOD. Long Island, March 25, 1824. I saw in the New-York Patriot a remedy for the hair, called the vegetable Cerate, and being bald on the top of my head, I purchased a box, and after using about three quarters of it, I perceived my hair coming out; I shaved it off according to the directions, still using the Cerate, and in about three months I had a fine head of hair; I have therefore, no hesitation in

recommending it to the public. J. GARDNER. New-York, March 21, 1824. As I had heard from numbers of persons the great benefit they had received from the use Prizes payable 30 days after the drawing, and ly all my hair, and tried every thing to restore of the Vegetable Cerate, and having lost near-This lottery will be drawn on Thursday the | Cerate, of Dr. James H. WILLIAM SMITH. Of Burlington county, N. J. Newark, March 12. TO THE LADIES.

New-York, Varick-st. Feb. 20, 1824. As it respects the Vegetable Cerate that has produced on various persons, I therefore purchased some of the article to try its effect, and I can safely say, it is the only thing that has ever been of benefit to me, it not only prevents the hair from falling off, but gives the most
