HE important discovery of a vegetable

Hair Restorative and Preservative.

substance, capable of restoring and preserving the Hair, was accidentally made by an individual who has neither the capacity nor the disposition to practise deception or fraud. The fullest reliance may be placed on the efficacy and power of the Vegetable Cerate, not only in re-toring and preventing the falling off the Hair, but in producing the greatest lustre tions are not limitted, advertisements will be of valuable prizes contained in it, and the comrenewal of a vigorous growth of hair and by ef-The certain and punctual payment of prizes, fectually preventing its coming out or falling off prietors must come post paid, otherwise they is, as in preceding Maryland State Lotteries, The Vegetable Cerate tends to resuscitate and excite the energies of the capillary vessels which constitute those organs that secrete the matter forming the hair; these like many other organs of the animal body, which have been in the state of dormancy or disease, may be restored to their healthy action, and perform all those functions assigned by nature.

The proprietor being aware of the numerbus specifics palmed on the public, and desirous that the present article may not suffer from false impressions, rests its merits on the effects it has produced on various persons who have used it, and all that it asked, as it relates to the verity of its effects, is a fair trial.

Elderly people, with bald heads, may rest assured, that by applying a few boxes of the above Cerate, their hair will be restored with all its beauty and life.

To prevent imposition, the sale of the Vegetable Cerate will be confined to Dr. JAMES HART, New-York, corner of Broadway and Chamber streets three doors from Washington,
