COMMUNICATION.

Mr. Scott-I have witnessed with astonishment the dissatisfaction of some of our citizens, occasioned by the town the reflecting portion of the community, a measure essential to the safety of the town, when a large number of the dogs had notoriously been bitten by a dog, unhad notoriously been bitten by a dog, unquestionably affected with hydrophoof security, and (as I am told) censur- Superfine and Fine Flour, ed for it by some, it is incumbent upon me, to defend the measure, by assigning From Hopkin's & Craft's Mills, always my reasons for proposing it.

The ordinance compels the confinement of dogs for three months. The oppositionists entertain the idea—first, that contend that the dog, giving rise to the Age and bad health compel the Sub- and that the same be published once in nine days are sufficient to test the powalarm, was not rabid. The gross er- scriber to decline business; he therefore size made in the newspaper printed in ror of the first idea is manifest from the invites every person indebted, to call the town of Combaidee medical records of ages past, which and close their accounts by payment or the town of Cambridge. prove, that six months is by no means an unusual length of time, for the virus to liquidation, which he earnestly wishes should take place in a short time, that unusual length of time, for the virus to lie dormant, and then to come into action; a case in point, occurred in this place some years ago. Mrs. Hooper had a favorite dog bitten; she confined him for six months, he was believed to be se
