On motion of Mr. Teackle, the comm ee of Ways and Means have been tructed to enquire into the expedient f disposing of the 3 per cent stock h y the state, and of investing the P" eeds in stock of the Farmer's Bank " Maryland, &c. The propositions eccompanied by some plausible illustra ions of the advantages to be derive rom the project .- Republican.

ABSTRACT OF Congressional Proceeding

WASHINGTON JAN. 10. A very interesting report was yester lay made in the Senate, by Mr. LLow of Massachusetts, in behalf of the Com nittee of Commerce, on the subject hat part of the Message of the Preside which recommends the abolition of emnant of discriminating duties onnage and impost between our of and foreign vessels. The report is vorable to this object, and, concludes recommending the passage of a bill arry it into effect.

ial System of the United States" I he bill "prescribing the mode of com nendment, but with the expression out. heir opinion that it ought not to pass. Mr. Johnson, of Louisiana, brought in resolution instructing the committee oads and canals to authorize the Pres lent to cause the necessary surveys, plan and estimates to be made, for uniti he waters of the Wabash with Lat vith the Wabash and its branches. The ill to provide for the security of public noney, in the hands of Clerks of Cour Attorneys, Marshals, and their Deputit

in, was taken up and adopted. Il house on Tuesday last. ill for a survey of the country to Flori a, for the proposed canal and ship chall el across the Peninsula, was referred ing to the Judiciary System were post oned and made the order of the day in annul the territorial law of the go tary. mment of Florida, in relation to wred n the coast.

ad its third reading and passed.

In the House of Representatives to iscussion on the Judicial Bill was vester am having taken the moor in opposit of dent then appointed the bill.—The amendment offered by Ir. Campbell, of Ohio, to the rules of ie House, was laid on the table. Se eral resolutions were adopted, among hich were—one offered by Mr. Ed ards, (N. C) on the subject of equal ting the compensation of Deputy Post lasters; one by Mr. Owen, (Alabama,) the subject giving the assent of Con ress to an act of the Legislature of Ala ima to improve the navigation of the ay and harbor of Mobile; and one by Mi spediency of granting to the Territory ne buildings at St. Marks.

the House of Representatives, and is | Pect. kely to undergo considerable further iscussion. From what we can learn ver, with the reduction of the addition number of Judges from three to two The debate has, thus far, disclosed ery flattering concurrence of opinion re pectful and favorable to the present Su reme Court of the United States; the to the Court would have the effect to in the Senate. nange its character, or change the course nd bearing of its adjudications.

The following has been offered in the ou-e, by Mr. Condict. be instructed to report to this House elected a member of the Council.

asters, in all cases, an adequate pecu' ary compensation for their services, id witholding from them the franking rivilege. Macci Sub Lumino

The last of the Muhicans' will be pub shed early next month, and we are an orised to state that Messis Carv & Lea ave become the publishers of this work. he merit of Mr. Cooper's former prouctions has created great expectation om his pen, and as a considerable length time has elapsed, since the furthcom ig romance was anno need, there I eason to believe that "The last of th lubicaus' will surpass its popular preeccessors in point of literary excellence
