A late number of the London Morn' Herald contains a letter from Amer ticle published in the London Morning of B. Harwood, Esq. ronicle, respecting American vessels war, which may amuse our readers. AMERICAN FRIGATES.

Mr. Editor, - I am anxious, through ur medium, to ask a question, which I think, of natural interest. Every dy is, I believe, aware of the very large ale on which the Americans build their gates; the Brandywine, frigate, which eye-witness, an English Smigate, the netis of 46 guns, appeared like a sloop war, is one of the class of twelve of arteen which throw but one shot, name of thirty-two pounds weight, and which e a match almost for an English seven four; the Americans are now building elve corvettes, which are to carry venty-four pounders, and which are uch more than a match for any slo corvette in the English service. ve lately been over the dock-yard at ortsmouth, and was surprized to hi at there is not building there a singl ip which could fight on equal tern ith the Yankees; on the contrary, go igs seem building in great numbers hich in case of war could not, I thi of great service. I wish to ask, through our medium, if the same is the case the other dock-yards in this country ing convinced if it be so, we should not a war broke out with America, be able to pe on equal terms with their tremen s frigat s .- God forbid that there ould be any chance of a war; but as In we do build ships, we should built ose which are calculated to secure! the naval superiority which we pos ss. I remain, Sir, your obedient ser A CIVILIAN.

ASONRY IN SOUTH-AMERICA It must be a matter of proud exul on to the mason, of gratification to mlanthropist, and of pleasure and satt ction to the liberal and enlightened ristian, to learn that the sun of Maso has arisen to cherish and invigorally is favoured land . We call it favoure! ecause it has succeeded in disenthral! g itself from the bondage in which ! is so long been held by the servile men' cant who yet sways the rod of desport it sm over the mother country. Our er, like the Arethusa, has been hunter ed pursued by Ferdinand over hill a ale, and driven into subterranean par ges; and, like the beautiful nymph, as arisen on another Ortygia, to ferti e the happy region without changing e purity of its waters, or the loveling the stream. The moral sun, which is just shot forth its rays, though 19 eded by many obstacles, will effectual spel the blackness of bigutry and " ouds of superstition, from Mexico uego, from the Atlantic to the Pacilli nd soon cause them to mingle in the cean of oblivion.

The friendly spirit which is manifest d towards the institution by the Colon ians and Mexicans, is the result so the establishment of South-America ident ndence. On whatever spot wa arth there is an interest taken in ulture of literature, science and civil ation, Masonry, however obdurate oil, will bud and blossom, and bring orth fruit. This assertion is fully so orted by the fact, that, in less than ear, several lodges have been establis d in the city of Mexico, where, Du ew years since, a Mason hardly how his head; and to make him nown as such, was jeopardizing his y existence! It is said that one of irst among those who has reached whest honours of the Masonic Art red the office of Grand Inquisitor What a singular alteration has occur ed by the establishment of free prince es!" But Freedom and Masonry ordinate lights, which the darking omprehendeth not. -- Masonic Mirror
