SUMMARY.

The Athenæum company of Ballyon with a spirit of liberality for which city is peculiarly distinguished, purchased a lot 70 by 99 feet, on they contemplate erecting a splent fice as a gallery of fine arts.

The coroner of New York was can on the 18th ult. to view the body of an known colored woman, found at the story No. 171 South street. She was shippy on board the schr. Mirror, from P more. The discovery was made in sequence of the barrel being opened, mistake, by the wrong consignee. barrel was marked P. X. No. 2.

A very distressing fire occurren Mobile, Alabama, on the morning of 26th ult. 4 houses were consumed more than 40 persons were wounder the explosion of gun powder, which w up the whole range of buildings. Almor Philip S. Yates every person in the immediate v was knocked down, either by the sil

or by flying timber. The late Mail from the West brough the news of the death of Judge Tody Samuel Rauleigh one of the associate Judges of the James Layton preme Court of the United States. was a gentleman as distinguished lot." amiability and rectitude in private as for his ability in the line of public "

The whole number of cadets atlace to captain Patridge's Military Academy Middletown, is 289.

The Lotteries actually drawn in state of Maryland last year, had an in gregate capital of 1,242,330 dollars. amount of the present year will, probly, be larger than the last.

The family of Pliny Merrich, Esq. from suffocation and fire on the night W. Geoghegan, of J. Wesley Woodland the 8th or 10th of March. the 1st ult. One of the family happening Thomas Chapman Arthur Willis as to induce an examination into the Daniel Cannon Robert Hurley cause. Twenty-five bushels of Charcon Jas. Hammersley in the cellar, were found to be on hir that all the family were sick two or the

days after. Since the 4th of July, 1776, the of real estate, in behalf of the U. States Denwood Barrow Jno. Travers, of J. within the territorial limits of the States Edward Griffith the sum of 561,958 dollars.

A bill is before the Legislature of York to incorporate the Jefferson Dock Company to establish Dry Dov Since the 1st of January, 1824, Naval Courts of Enquiry and Court Martial have cost the Treasury, a ther, the sum of 18,977 dollars.

Mr. Clay is much improved in by Mr. Gaillard, of the U.S. secate, is so that his dissolution is hourly exper His physicians have no hope of his JUSTICES OF THE LEVY COURT, worth, and much esteemed.

A vessel having a case of small pos board, has been ordered to perform antine at Mobile--singular freight Three additional attempts have been me to burn the city of Charleston, S. The three different parts of the town. Courier states that in all these situative one at each extremity, and the other the centre of the city, the most unequiical evidences of a determination to a troy the town are exhibited.

The purchase and erection of Custo Houses and Public Warehouses, has c the general government since 1816, sum of 563,694 dollars.

John Cleves Symmes has arrived h Washington city, and is delivering lec' tures in explanation and support of

Accounts from New-Harmony 21st January, state that Mr. Owen rived there in good health, on the and so great was the eagerness of people to see him, and to receive count of his progress, that he was ced to hold a meeting in the charthe evening of the same day.

On Tuesday week, a sword was sented to Captain Warrington, of Governor of Virginia, in the hall of House of Representatives -- as o ny of respect on the part of for the services of the gallant in the action with the Epervier, in

Making Pins by Steam .- An in structure is now building near for the by Messrs. Taylor & Wright, lding is the pins are to be made the steam-engine chim port trade. The steam-engine chim ing sunk, conversity incline two feet ing sunk, conversity incline two feet ing sunk, conversity incline two feet in the steam-engine two feet ing sunk, conversity incline two feet in the steam-engine chim in the steam-engine chim is a star of the steam-engine chim in the steam-engine chim is a star of the st aving sunk, causes it to incline two feet from the perpendicular, on one side, and it is thought must come down.

Dr. Hull, of Genessee, N. Y. has made theron, James A. Collins. an important and delicate surgical oper nan of that village, named Stewart. An der on orifice was made under the arm between two of the upper ribs, into the cavity found extensively maturated—the discharge has been more than two quarts in Philadelphia. There is some hope of his recovery.
