From the Providence Journal.

Congress at Panama .- Passengers 1 he ship Fame, from South America, atived at N. York, who reached here last evening in the steamboat, distinctly state hat the project for a Congress at Pana na, had been entirely abandoned, so nuch so, that it was not the subject of conversation in political circles at Chi or Lima, nor was it known to a publi unctionary from Colombia, recently me with there. Our informant had seen the CAMBRIDGE, SATURDAY, April 1, 1826. official bulletins containing the invitaion from Colombia to Chili to join in such a Congress, and the answer of the atter government declining it altoget er. The government of Peru had also de clined the invitation, & in consequence of this the project which originated, through the Colombian government) in cress had been in session, nor was it in the Srd inst. contemplation to hold any. The U.S. ship Peacock, spoken by the Fame, lell Lima the 7th December, and knew no source at Santiaga sustains the above by land, for Dorchester county. esting here, but which was not thought of here, then, nor at any time as having any reference to this government.

On the correctness of our informant sented at this Congress, to deliberate to be represented at the proposed delib

out the project does not seem to have net the views of the other states, an whether this has defeated the measure we are left at present to conjecture.

Writ of Habeas-corpus.-The editor of the York Recorder, in some re marks made by him in his paper of Tues day, thus notices Mr. Randolph's charge against the Executive for the part he had taken in relation to the proposed suspen sion of the writ of habeas corpus in 1807! "The proposed suspension of the writ of habeas corpus was intended to have bearing mainly, if not exclusively, Burr's conspiracy; it was introduced b the President's Message and confident tial communications concerning that mous affair; and when Burr's trial can on before the District Court of the States for the District of Virginia, a fact ate. was disclosed which is decisive as to the Extract to the Editor, dated Harrisburg, celebrated Farmer Giles) was summon' ed to serve on the Grand Jury to which the bills of indictment were to be submit ted. When the grand jury was about to eged was this, "that Mr. Giles when in 16, nays 12. the Senate of the United States had oc casion to pronounce his opinion on cer tain documents by which Burr was con' propriety of suspending the writ of ha the following is an extract:-"With res' pect to my public conduct," said Mr. Giles, "I presume it is of public notorie" of roads and inland navigation. ty, and will speak for itself. I not only, PROPOSED THAT MEASURE. I then thought and I still think, that the emer gency demanded it; that it was fully justified by the evidence before the Sen' ate; and I now regret that the nation had not energy enough to support the Senate

the Benate." This shaft flies direct and pointed and barbed at its object—the shield of Achil' les could not resist the vigour of such
