CANTE ELEDGE:

MONDAY, OCTOBER 21, 1839.

FCR PRESIDENT. OF NEW YORK.

most gloomy prospect indeed.

EDWIN FORMAN, Esq. is announced in the Snow Hill Banner as a candidate for a seat in the State Senate. The election for Senator in Worcester, takes place next fall.

PENNSYLVANIA .- It will be seen from the account of the recent election in that state, which we publish to-day, that the whig party there is almost annihilated-literally used up. The Whigs, from this recent demonstration, certainly will not again claim the old Keystone State.

in Ohio, clearly exhibit a large increase of cannot, with ordinary circumspection, mistake strength to our side. Before we had the a happy selection. State by a large majority.

from the State of Georgia. The opposition, gratifying character. The whole number of two years ago, elected their Governor there. State Senators is 36 and of Representatives The increase of our vote, at the late election is 72. It is already ascertained that the Medical Convention held in Easton, Novem- occupation from 10 A. M. till 9 P. M. indicates, success to the Van Buren candi- Democrats have elected 22 Senators, and 40 ber 1837, will meet according to adjournment date for Governor.

NEW JERSEY .- The Whigs in New Jer- Representatives. sey have carried a majority of the Council, The accounts from Georgia embrace but Legislature, &c., but the returns show, that few counties; but the complection of them is in the popular vote, we have met with an in- highly favorable. If they can be regarded as creased majority, over that we obtained at an indication of the general result, we may of meeting and forward accounts to this office

SHIN PLASTERS .- Since the suspension of specie payments by the banks, there is some speculation as to what we shall do for change. We are glad to find that there is a general repugnance to the issue of "shin-plasters." If the banks pay out small change and there is a strong indisposition on the part of the people to tolerate small notes, we doubt not. an ample supply of change will be kept in vote stood; Democrats 13. Whigs 10. circulation. We observe that Gov. Porter of Pennsylvania has issued his proclamation. calling upon the prosecutors for the State, to enforce the law, against all persons who issue small notes. In this State, there is also a | Whigs 33. law to protect the people, from a small note circulation. Before, when the banks suspended, the evil of small notes was tolerated.— trial between these two noble animals on Sat We doubt now, whether the necessity of the case, will be considered sufficient to justify urday last, over the Oakland course, Grey a violation of the law of the State. If the Eagle, says the Cincinnati Whig, took the law is to be a dead letter, it might as well first heat (4 ms.) in 7m. 50 sec., beating consisting of be repealed.
