P. S. Ointment, (formerly Judkins') near Frederick city, Md. Middletown Valley Frederick Co. Md.

April 2, 1835. Sir-My wife latety had a distressing attack of the mumps, from which she was confined to her bed near a week. In mentioning her case to a neighbour, Mr. John Cole, he told me his miller has been so seriously afflicted with it, it was with difficulty he could swallow. The family became quite uneasy about him-they tried different things without success, until they applied Mr. Herstons' Ointment: in fifteen minutes after applying it, the pain ceased -he continued mending from that time till perfectly cured—in two or three days he attended to his mill and business as usual. Havtended to his mill and bu plied the ointment in my wile's case. I am pleased to inform you it acted with the same success-made a perfect cure. This disease has prevailed extensively in our nighbourhood t this winter and spring.

and was relieved by applying Mr. Herstons therein set forth are literally true. No lan-Ointment. This circumstance induced many | guage is sufficiently strong to disscribe what I effects were uniformly successful.

vered a sovereign remedy for both the Chronic store, Buckeys' Town, Md. and Inflammatory Rheumatism—it never fails The above medicine is fer Sale by to cure, where the disease is strictly Rheuma tic, and the medicine taken agreeably to the direction accompanying each bottle.

Innumerable instances might be given of the happy effects and powerful virtues of this preparation in the cure of the above very painful and torturing disease, against whose resistless attacks the artillery of Medical Science has so long been directed in vain .-But the limits of this advertisement will not admit of inserting all the testimonials and cerlowing will serve as a specimen of the great | New edition of the New Testament splen- ten calomel; this continued to be my state unnumber of others, equally strong, which the didly bound. subscriber has now in his possession. PATRICK O'NEILL.

CERTIFICATES-TO THE PUBLIC. I have been long of opinion that O'Neill's Anti Rheumatic Medicine is entitled to the high and exalted character which is so univer-

sally accredited to it. My opinion of this medicine is not formed from common report, but from actual experiment of a case in my own family—a case treated and experimented upon for three years and then abandoned as incurable by gentlemen of the faculty, who, for skill and judg-

ment stand high in public estimation. The sufferer in the case to which I have allusion was my daughter Elizabeth. She was taken when about the age of ten years, with litical Relations, by F. J. Grund. violent pains in various parts of her limbs and body, but seating themselves more particularly in one limb; I thought it was white swelling, but the doctors called it a disease of thee Shepherd's Patent Specific Ointment, Hip Joint. Her pains were violent and incessant; her limbs became very much contracted, and she could not move a step without crutches; the physicians, though skillful, kind and attentive, were unable to relieve her. Arout this time, a new Panacea was offered to the public, she used several bottles of it without the least benefit. I had then abandoned all hope of her recovery and suffered several months to elapse without giving her any mekins Patent Specific Ointment made by C. dicine. No one but a parent can conceive mous approbation of those who have with the accompanying directions. Herstons near Frederick, Maryland, saw I what my feelings =ere at seeing the helpless, fairly employed it, according to the directions, Price of a sengle Box, 50 cents. 印印巴亚珍思 SONG.

Oh mark you little bounding bark, That skims along the main? Ye ros ring waves be merciful-Return it sase again. And blow, ye breezes, gently blow,

And wast it to the shore;

For one young heart would break w Should it return no more. A fair one stands at her lattice high And she sees it come in sight; Her heart beats as it ventures nigh

And she watches with delight. le lover's in you little bark, That rises with the foam; Then, gently blow, ye vernal gales And waft the sailor home.

GUARDIAN ANGELS When ancient sages vainly tried To bind the heart by reason's c Their blind devotion deified The pow'rs no human streng

They gave a high and holy shring To thoughts and feelings born of And things were worshipped as

Whose sway was mortal as the Yet midst these dimly-shadowed Of wild and weak idolatry, Some mystic, mighty spirit seems

To meet and awe the searchin For is there not a higher Pow'r Whose sleepless agents work h And who, in pleasure's zenith h Or sorrow's night, watch o'er

They guard the infant's helpless They guide the wandering And through life's path of storn

They cheer us by the light of

When in the hour of pain or gri With anguished soul we knee The influence brings the heart i Which else had broken with

When morn or evening's golde With summer beauty light t Our gateful minds they bid us r Adoring to the world on high

When o'er the sea sweeps win Our fear-struck fancy trembl Some dark-browed angel's voice The fateful mission that he b

And when upon the bed of dea We close the seen of suffering Bright spirits catch our parting And wast us to our native s

THE LOST BRII (continued.) The report of the gun was loud shout from the weddin that they suspected the cause -they supposed that Robert his home and that some of I

there had fired the gun as a si to hasten. Their shouts intimidated who precipitately fled with without attempting to scalp l husband.

The party rode joyously u describe their consternation finding Robert stretched app on the ground, covered with horse, which they mistoo
