to bring out a thick set of Whiskers or a Mustache I in from three to six weeks. This article is the only one of the kind used by the French, and in London and Paris it is in universal use. It is a beautiful, economical, soothing, yet stimulating compound, acting as if by magic upon the roots, causing a beautiful growth of luxuriant hair. If applied to the scalp, it will cure BALDNESS, and cause to spring up in place of the bald spots a fine growth of new hair. Applied according to directions, it will turn RED or towy hair DARK, and restore gray hair to its original color, leaving it soft, smooth and 200 flexible. The "ONGUENT" is an indispensable article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.
