Sir:—You will please send me dope every one. It guides the unwary through ably in advance. Any postmaster sending us nowned article.

THE STIMULATING ONGUENT

THE STIMULATING ONGUENT

THE STIMULATING ONGUENT conquest of the South, he had only tention to resolve that Major Anderson and tive" p his garrison at Fort Sumter should purpose perish, as it appears was well-known they a Anderson and his men were to be us- that the ed as fuel, to be thrown in to kindle coln w the flames of fanaticism, and to force to "ma the Northern people into a united crod C war, which would give the abolition keeping leaders abolute control over the Gov- avower ernment and country. What must had de be the feelings of the civilized world, broken when it is known that the President President

of the United States and his Cabinet the "te

did so act, and with a view express- signing

ly to carry out this policy of excit- of For

ing the whole Northern mind? is said

Major Anderson had officially in charge

formed the former Administration yet he

that he could hold Fort Sumter; and, that "d of course, if the object of that Ad-resolvi ministration was to betray the Gov. own w ernment into the hands of the Seces. throug sionists, as is charged in the article, ing of then Major Anderson must have been days w a party to the treason; and if he in- slave formed the new President, on the 4th their n of March, as is said to be the case, The that he could not hold the Fort, then and his he acted out his part fully in aiding come I to place Mr. Lincoln and his Cabinet Fort exactly where they were, and to and y compel them to evacuate the fortress, the on or to use the garrison as victims, to vented be slaughtered on the unholy altar his du of blind fanaticism and mad ambi-purpos tion. I know the fact from Mr. Lin-"war" coln's most intimate triend and ac-ed, an credited agent, Mr. Lamon, that the unhall President of the United States pro- ment fessed a desire to evacuate Fort Sum- that ter, and he (Mr. Lamon) actually agains wrote me, after his return to Wash- that t ington, that he would be back in a meet; few days to aid in that purpose. Ma- it beco jor Anderson was induced to expect article the same thing, as his notes to me tion o prove. I know the fact that Mr. Fox, ate St of the U.S. Navy, after obtaining ased permission from me, upon the ex. world press guarantee of a former gallant A w associate in the navy, to visit Major motiv Anderson "for the pacific purposes," ces—splanned the pretended attempt to re- favor lieve and reinforce the garrison by a ed an fleet, and that Major Anderson pro- libert tested against it. I now believe that time, it was all a scheme, and that Fox's disgraceful expedition was gotten up. The

in concert with Mr. Lincoln, merely red to

to delude the Northern public into which

the belief that they intended to sus-tain and protect Major Anderson, in the

When, in fact, according to the arti. conse

cle now published for the first time, never

they decided to do no such thing, and have acted with the deliberate intention York

to let the garrison perish, that they Abar

might thereby excite the North and Ne
