THE serious Cambridge, -Md.

DAY::::::SEPTEMBER 19, 1849.

WM. THOMSON & CO., No. 6 Carroll Hall, corner Baltimore and South Calvert Sts., Baltimore, is authorized to receive subscriptions and advertisements for the "Democrat."

This being the only Democratic paper published in the three lower counties on the E. Shore. gives it a large and extensive circulation, Godey's Lady's Book.—The October number which makes it the best Journal on the Shore for the publication of Advertisements.

The Orphans' Court of Dorchester County will sit on Monday the 24th of September.

WHIG NOMINATIONS .- The Whigs of Talbot county, have nominated the following ticket for the Legislature: Alexander H. Seth, Samuel Emerson, and James H. Ridgaway, Esqrs. Also for contents are of the very best quality; being reports that "there has probably been no choice county commissioners: Samuel Stewart and Charles R. Mullikin, Esqs.

DEMOCRATIC NOMINATIONS .- The democrats of old Caroline, met in convention on the Magazine," of the country. Persons who other hand the Pennsylvanian declares "there 4th inst, and nominated the following ticket for would like to see it, can do so, by sending can be no doubt of the election of Hubbard, Dethe Legislature: Edgar Plummer, Thomas R. for it or calling at our office. Stewart, and Edward Goslin.-Levy Court: Wm. Having made arrangement with the publisher to J. Pratt, R. E. Hardcastle, S. G. Smith, George club his magazine with our paper-we will Collison and T. Lockerman, Esqs. This is a send the "LADY'S BOOK" and the "CAMstrong ticket, and will no doubt be elected, as BRIDGE DEMOCRAT," to one address, for Caroline gave 88 majority for Cass, and can do \$3 50, per annum. Price of the Book itself as well this fall. The delegats go in for "Con- is \$3. ventional Reform."

Wise, a farmer of the effulg Rockingham county, has discovered a certain minds, sta means of restoring the growth of hair on the and irritat head. An examination of the pores of skins to extingu which had been prepared for tanning, showed the power that after one crop of hair had been extracted, he should there were a second set of roots below those attainmen which were drawn out of the upper pores of the We m skin, and this peculiar formation of the skin of become n an animal he thought not unlikely to exist in the enlighten human head. Hence it occurred to him that if far distan the skin on the head of a person could be soft- acclamati ened, and the lower pores so reached with the can.

right kind of invigorating application, a new Having growth of hair would be produced. He had ap-utility of plied his remedy to the heads of several per-pilgrimas sons in Richmond, and the Republican says :- elevation "We have ourself seen new and luxuriant of the in growths of hair upon the heads of several of our by all w citizens, whom we knew to be almost entirely of the be bald a short time since. In most cases the hair ed in ed has made its appearance in eight or nine days ed in Ge after Mr. Wise's first application-and, in one my syst instance, only four days elapsed before the new itself to hair began to grow."

Lower Congressional District.—What pective are our old friends in the lower district about? They do not intend to allow the Whigs to carry it without a fight, we hope. Where is the gal- the dull lant Humphreys, whose voice we have listened P to with so much pleasure in former days? Will are very he not consent to meet the Whig nominee, and the min show him a little of the old Democratic mettle? By the We think it should be done. The movement in and the Talbot should be promptly met by the other tion, at Counties, and a ticket formed for Congress, and quickn the Legislature, too. Taylor whiggery has lost instruc its charm with the people, and a spirited onset those may scatter the dispirited hosts, and place the systen flag of Democracy where it ever should be, cility high in the ascendant. We shall be pleased to mind, see a full Democratic Ticket out in every County, and hope our friends will promptly gratify this pr our wishes --- Argus.

A JUST REBUKE.—The brutal attack of the ance v Washington Republic upon Mr. Bancroft, our and pe distinguished American Minister to London, bor of proves that the editors of that journal have no ing yo ambition to commend their writings to the re- this m gard of decent or intelligent men. The N. Y. be ea Mirror, a very decided and able Whig Taylor langua paper, rebukes this attack in the following in- dies. dignant terms:

"The Washington Republic has an article at- of this tempting to exalt Mr. Broadhead and to ridicule struct Mr. Bancrost. We think it signally fails in place both efforts; and we cannot see that any capital ter of is likely to be made, by abusing a man who is A generally acknowledged one of the best Sccreta- Plain ries of the Navy we have ever had, by all the the d veterans of the service. The article in the Re-lound public is both ungenerous and ungentlemanly.

Louis Phillippe's Property.—The Commissioner of the French Assembly, appointed to Bost arrange the accounts of Louis Phillippe, has ed in completed that duty, and estimates the landed Broad property at 250,000,000 francs, which yield on- 380 ly 5,000,000 francs per annum. His debts are set down at 30,000,000 francs, and he has desired that each of his creditors shall receive a sum on account. He has also directed that several scrip of his most extensive estates shall be sold, in order the more quickly to make payment.

ORDER OF THE SONS OF TEMPERANCE.-W. b. H. Gobright, Esq. Grand Secretary for Maryland, ing reports there were, on the 1st of May, Grand ole Divisions, 35-Subordinate Divisions, 4,398- sati initiated, 111,520—suspended, 18,049—expell- of e ed, 15,947-deaths, 1,260-violated pledge, 14,- voi 821-reinstated, 4,771-violated second time, leg 1,510—contributing members, 221,458—cash inc received, \$7,45 00-paid for benefits, \$200,-886 68—cash on hand, \$336,614 13.

H. G. S. KEY, EsqR., is strongly recom-sys mended by two writers in the Upper Marlboro en Gazette, as a suitable candidate for Congress, to ple oppose the Whig nominee. Mr. Key, we be- rin lieve, could be elected, but let our friends there as agree upon either him or another, still the hope its for success is well worth the effort. Let us, in las any event, have but one suitable candidate against ch
