P. S.—Since the above was in type, we learn that the difficulty between these gentlements have been antically settled.

DEATH OF THOMAS NOON TAITOURN.—The policy of the consists of two bowls, each 1814

The plate consists of two bowls, e Death of Thomas Noon Talfourd.—The advices by the steamer Franking announce the sudden death of this distinguished scholar and jurist, which took place on the 12th of March, while delivering a charge to the grand March, while delivering a charge to the grand Sinch March, while delivering a charge to the grand jury at Stafford, Eagland. In the walk of little of infallible wisdom in political things. Take erature, Talfourd attained an honorable distinct those on board. These convey a striking idea Gate. The greatest hilarity prevailed. The of infallible wisdom in political things. Take excitement, joy and sorrow, it is to be hoped. Mr. John Blackwell were illuminated; and in tical councils—planning, debating, deciding—to hold slaves in Roston save by the same compromising and sorrow. It is to be constitutional the same compromising and the constitutional and inquiry being made as to what amend-

a reporter for the daily press, he soon became an eminent lawyer, member of Parliament and are well executed, and will bear the closest execute members of the figures are well executed, and will bear the closest execute members of the latter there were display-and do they slow wisdom above all the rest of the Massachusetts freemen.

Around the inscription, which is could equal the happiness which the good news ment they pass from uttering sentiment into of political principles. (Those who arise to the first exercise as tenders it impossible for it to be constitutional. An inquiry being made as to what amendation to the following the world? Who does not know that the mover of political principles. (Those who arise to the Gadsden treaty, I would simply state that it is not the business of the Senate to put a contributor to various literary periodicals, amination. Around the inscription, which is could equal the happiness which the good news ment they pass from uttering sentiment into of political priests: "Those who quit their itself in direct communication with the Mexand at length produced the tragedy of "Ion," the same on both bowls, are different national imparted to the family at Dromoland, where practical action they fall amazing short in bus-proper character to assume what does not belong to them are, for the greater part, ignoders in this country. This was brought out James Raymond, the well known manager rejoicing also. The village of Clare there were great siastical councils been as notorious for their the character they assume. Wholly unaccepted also. The village of Clare was illustrated and Enriswas partially so. Limstickifeature as to them that prompted Dr. Ely, a fond of meddling, and inexperienced in all its States. He wrote them that he should accede the Dowager Lady O'Brien, Sir Lucius O'- incss talent? Let this consideration, however, long to them are, for the greater part, igno- business of the latter is only with the President by Mr. Macready at the Covent-Garden thenof menageries, who died in Putnam county,
minated, and Ennis was partially so.—Limerick feature as to them that prompted Dr. Ely, a
fond of meddling, and inexperienced in all its States. He wrote them that he should accede "Ion," are allowed by competent judges to possess a very considerable degree of merit.—

Death of D. S. Carr.

On the 24th ult., at Charlottesvile, Va., INEW G DABNEY S. CARR, in the 52d year of his age. X 675 of Naval Officers, for many years. In the discharge of his official duties, he gave satisfaction to our merchants, by his invariable courtion to our merchants, by his invariable cour-tesey, and to the government, by his fidelity. Philadelphia. He was subsequently, and during six years, Minister resident of the United States at Constantinople. In that responsible position, he enjoyed the respect of the Ottomon Court, the esteem of his colleagues in the diplomatic corps and the confidence of his fellow citizens, wheth er as missionaries of the Gospel or in the pur suit of other occupations.

MR. CARR was formerly the editor of this Pa per' and during the Presidential campaign of 1828, when the fierce struggle between Jackson Tissues, Calicos and Gingh and Adams took place, his bold and vigorous pen rallied the democracy to the standard of their great leader, and aided in his triumphan election.
