GRAND TIMES IN EAST TENNESSEE. The editor of the Knoxville Register is happy over By I. W. Eschwett & the accounts lately received in regard to the Nos. 28 AND 30 S. CHARLES ST., BALT "Hard Times" will have to surrender now. TOTICE TO FARMERS

Never in the history of East Tennessee have 1 our farmers gathered such a harvest as they LARGE SALES OF ATKINS' SELF have been blessed with this season. Wherever or we see a farmer we see a cheerful counter on TUESDAY MORNING, August nance. The wheat crop, in quality and quantity, is by far the best ever grown in this part of the State. The oat crop seems to be nearly as good, and corn, although small for the time of year, nevertheless has a good of the state. time of year, nevertheless has a good color, and with a fair season, will yield abundantly. Terms cash, in bankable money. This is truly the farmer's "year of jubilee." Coming Along.-M. Vernet has calculated

the orbit of the comet recently discovered by a Berlin astronomer. He appears to be approaching the earth so rapidly that it will soon present a fine object to the naked eye. At Dorchester County Orphans' Court Fifth's comet, of which there has been so much talk, and destined to come into collision N application of Alexander H. B with the earth on the 13th of June.
