AMERICAN AND FOREIGN Stereoscopic Emporium. E. ANTHONY, 308 Broadway New York.

After May 1st 1850, at 501 Broadway two doors from the St. Nicholas Hotel.

The Stereoscopic is the most instructive, interesting, entertaining, amusing and exciting of modern inventions. None are too young, none too old, none too intelligent, none too uneducated, to acknowledge its worth and beauty.

Photographers are everywhere exploring Europe, Asia, Africa and America, in search of the grand and the beautiful, and the result of their skill are constantly enriching our stock.

We have an immense variety of photographic views of Scenes in Paris, London, England, Ireland, Wales, France, Belgium, Holland, Switzerland, Spain, the Rhine, Versailles, St. Cloud, Fontainebleau, Tulleries, Italy, Turkey, Egypt, Athens, the Holy Land, China, India, Crystal Palace, also Groups Historical, amusing marriage scenes, breakfast scenes, picnics, statuary, &c. An exquisite assortment of illuminated interiors of Palaces, Churches and Cathedrals of France, Italy, &c. The effect of these illuminated views is most remarkable.

EVERY GENTLEMAN OF WEALTH AND REFINED TASTE should have in his drawing room some of our exquisite views on glass, with a revolving stereo, copper, showing 12, 25, 50 or 100 scenes. Nothing can be more fascinating, and one can offer no greater treat to a friend than to present him with one of these beautiful views.

Anthony's Instantaneous Stereoscopic Views are the latest photographic wonder. They are taken in the fortieth part of a second and everything how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest.

Among other things we have just published 12 Stereoscopic Illustrations of the Scene of the PILTON STREET PRAYER MEETINGS, in which many hearts feel an interest. The particulars of this will be found in our catalogue.

Our Catalogue of subjects and prices will be forwarded to any address on receipt of a stamp.

Parties at a distance sending us \$3, \$5, 10 \$15, \$20, or \$25 can have a good instrument and such pictures as they may request, sent by Express.

Parties who wish to be advised of everything really valuable in the line that comes out, may send us their names to place on record, and we will keep them posted at our own expense.

Men of leisure will find Photography a most fascinating and delightful amusement. We are prepared to fit out amateurs with everything necessary for their success together with instructions "How to take Stereoscopic Pictures."

Importer and Manufacturer of Photographic Materials, Stereoscopes and Stereoscopic Views. E. ANTHONY.

Mercha its from every section of the country are respectfully invited to make an examination of our stock as our discount to the trade will be liberal.
