STRONG AND DURABLE MACHINE, WORKED BY TWO HORSES AND ONE HAND AND RAISES 100 TONS PER HOUR.

THE purpose of this machine is to raise the deposit from the bottom of ravines, creeks, rivers or other places inaccessible to teams.

This machine raises the mud, brings it on shore, deposits it into a hopper, under which a cart can be driven, and receives its load by means of a slide moved by the driver, by which all labor of shoveling is avoided.

The bucket is made of the best boiler iron, and is so constructed that it dumps the mud into the hopper, and by reversing the capstan, adjusts itself, and is carried out for another load.

By referring to a drawing and clear explanations sent with each machine any ordinary carpenter can put one up without difficulty.

But a few pieces of roughly hewn timber are required for the frame. Everything else complete with chain and rope enough to send the bucket 170 feet from the capstan, is furnished in Baltimore for the sum of \$225 cash.

All orders promptly attended to, or instructions given at Larabee's Foundry, Corner Front and Plover Streets Baltimore Md. **BRYAN & BROTHER,**

HOWARD ASSOCIATION, PHILADELPHIA.

A BENEVOLENT INSTITUTION ESTABLISHED BY SPECIAL ENDOWMENT, FOR THE RELIEF OF THE SICK AND DISTRESSED, AFFLICTED WITH VIOLENT AND EPIDEMIC DISEASES.

THE HOWARD ASSOCIATION in view of the awful destruction of human life caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by quacks, several years ago formed the Howard Association, as a charitable act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give medical advice gratis to all who apply by letter, with a description of their condition, (ages, occupation, habits of life, &c.) and in case of extreme poverty to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatocoea, Gonorrhoea, Gleet, Syphilis, the vice of Onanism or Self-Abuse, Diseases of the Kidneys and bladder, &c., and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable Report on Spermatocoea, or Seminal Weakness, the vice of Onanism, Masturbation, or Self-Abuse, and the Diseases of the Sexual organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope) free of charge, on receipt of two stamps for postage. Other reports and publications of the nature and treatment of Sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year are of great value.

Address, for Report or treatment, Dr. J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth St., Philadelphia, Pennsylvania.

By order of the Directors, **EZRA D. HEARTWELL,** President.

GEO. FAIRCHILD, Secretary. March 22, 1859—ly.

[BY AUTHORITY OF THE STATE OF MARYLAND.]

J. MURPHY & CO. HAVING been selected by the Legislature of Maryland to print and publish the only authorized edition of the

MARYLAND CODE, Prepared by Otho Scott and Hiram McCullough, Commissioners; beg leave to ask the attention, not only of professional men and law officers generally, but also of business men in all Commercial, Manufacturing, Agricultural and industrial pursuits, to the advantages which it is obvious must be derived from a copy of this work.

The distinguished codifiers, whose labors have been ratified by an act of the recent Legislature, have comprised in full detail in two volumes, all the bearing on every department of business, and every interest of the State. Into this comprehensive space, the Code (whose provisions are brought down to the close of the session of 1859)

COLLECTS & DIGESTS THE ENTIRE LEGISLATION OF MARYLAND, FROM THE PROVISIONAL PERIOD TO THE PRESENT DAY,

with an elaborate Index to each article and section, prepared by Henry C. Mackall Esq.—careful and minute in its classification of subjects, the reader, no matter how unfamiliar with the science of the law, may easily examine the enactments on any question referring to his property, his rights, or his Liberties as a Citizen.

It is not urged that the ownership of these volumes will make "every man his own lawyer," for few things are more dangerous than to define or assert our legal rights in cases of doubts or intricacy, without the assistance of counsel; yet in the concerns of all business men there are numerous questions, constantly occurring, which may be at once and satisfactorily solved by reference to this book. One such reference may refund its price in the saving of a single fee.

With the view of enabling every citizen to possess a copy of this valuable work the preparation of which has cost the State upwards of \$50,000, the publishers have affixed the price at about half the usual charge for law books, relying with confidence on the intelligence of the citizens of Maryland for a liberal encouragement.

The Maryland Code will be published in two volumes octavo, with clear new type on fine paper and bound in Law Sheep—Each volume will comprise about 800 pages and will be furnished to subscribers at \$6.00 for the complete work; intercalated copies for the use of members of the bar and others \$10.00.

Parties desiring early copies, by remitting the subscription will receive a receipt by return mail, and have their copies forwarded as they direct, as soon as published. Price by mail postage prepaid, Law Sheep, \$6.75. Interleaved \$10.55 per copy.

The work will be ready about the 1st of July, and will be furnished to subscribers in the order in which their names are received. As the edition will be limited, to secure copies, orders should be sent in at once.

JOHN MURPHY & CO., Publishers, Printers & Stationers, No. 182 Baltimore St., Baltimore Md. July 10, 1859—6w.
