

out from his apartments, & he was
sent on his. We talked with him a
few minutes. I took pains to ascertain
what he was about. I had expected what he
was about. When I rang the bell I heard a
noise which satisfied me that he was at
work as usual. I went back then
to his room & after talking with him, the
way he came out.

Some night, I went from goal office
with 8 or 10 others. I was at the
goal when Dr W. was first brought there.
I found him about 10 o'clock at the goal
I went to the goal above. I went down into
the cell - Dr Martin Gay was one who went
S. D. Parker - Dr Gay S. D. Parker &
Sherkman & two persons employed in the goal -
I think Lighter was one of them - When I went into
the cell Dr Gay lay on bed in the cell with his
face downwards. He was asked if he was
not able to get up. He said he was not,
Dr Gay spoke to him. I tried to comfort
him to know him try to get up - but
did not succeed. After waiting 10 or 15
