

to or a dozen persons seen. They were
brought out to land by Mr. Wood & see them
He said nothing there I heard; he was
taken to quarters. I did not see him but
he appeared as he had before: he was a
good deal excited & had been; He was
still suffering of the effects. I think he was
8 or 9 feet from the body. After we looked
at the remains 10 or 15 miles we turned
away & left him & Dr. W. was taken to the
carriage & I saw no more of him that
night.

The next day - Saturday Dec 1 - I was
there when the Thores & other things were
found. They were found in a tea chest -
Fellows was one - I was in upper laboratory
I was called down. As I came down they
were drawing the tea chest for some
to middle of room - When they got it to
the left they upset it & found the
Thores & things embedded in saw. The
things were packed inside of the chest, &
