

me if any after the arrest of Dr W.
I find the house by this - usually had been
at 6 1/2 & was to meet them very near at 10 1/2. -
I left because a departing soon after I left it that
night. -

Mean of my thinking it would be as the
I am sure Dr W. then to take up - mean than
him after section.

William Hathorn, I am sure for Keller the same person
I know L. I will also talk just here about
Dr P. as appearance. I saw Dr W. Sunday
night over Dr P. was sleeping. I saw him in front
of the College in North Grove St. Opposite Sellers' Foundry
near Kirk L. & was talking with him. Dr W. was
coming down street & when I saw him coming towards
me & L. - I think this was about 4 o'clock, it was
pretty clear about that time. Dr W. came up to
L. & asked him L. if he saw any thing of Dr P.
the latter part of last week. L. said no I said,
he said he ^{was} about when we were now standing.
I think he was going towards the College - then
he (L) was in front entering us in front door of the
College. he said he did not go into the
College, as he (L) went & later down in town of the
rooms of the College. - L. said the time
was about 1/2 after 1 o'clock - Dr W. said & said.
That about that time he had had Dr P 483
