appointment - he was he called on the Colonel  
as he returned to me of the name that Dr P.  
had been seen - also that he called on  
his return in Mr. Paige to me of the  
mortgage had been this charged; He said he did  
not find Mr. P. at home since we  
saw that his Commission had been in the  
last instead of the first Sunday. He said he  
was certain that the mortgage had not been  
cancelled. I said as I was leaving the  
house that we would call at Paige & see  
for ourselves at Paige might have overlooked.

We then left the house  
I saw nothing peculiar except the  
circumstances I have mentioned that he  
gave me the wrong mortgage. I did  
not observe any trembling -

The first mortgage he gave me  
was the large one - I took minutes of  
both. -

I was acquainted with Dr P. I had  
known him for above 20 yrs. I had  
seen him frequently for last 5 yrs  
I saw him last on the 28<sup>th</sup> of Nov
