

Key - Several persons in the office when I was searched - Clapp put all the things in a box on the desk in the outer room - All who were present should be separately seen & the account of each be got. The search made before we left the office for the college. How was the firing opened?

Brown (of Boston St) can procure keys to each lock & the main ones (when one key w<sup>d</sup> open several) were put by him in drawers in small room & from 3 to the 3 locks of back room - one is missing - where is it? Brown can give name of the glazier who mended the reflecting room skylight & got in & out my window.

Mr. Taylor of police was for a time Junior at old Med. Col. perhaps knows about L. D.

Also a man that lived with or drove for L. & quarreled with him - & whom he suspected of complaining of him to the Faculty.

Worster & Blake - I was there - ask Treadwell

Shimmer wrote me a note asking about the bills of Dr. P. - not necessary to answer as I had just before told Dr. P.
