

For Mr. Lohier

Grape Vines - John Miles & the families
will remember I burned the grape
vine trimmings of year before
last, in an air tight stove taken
from the dining room out upon
the grass - & that by mistake
John emptied the ashes - To
save the ashes this year I sent the
trimmings to the Med. Col.

C. Daman carpenter near 478 Washington St
made the partition behind the
furnace in lecture room & will
recollect there were 3 doors
in it -

Burns man put on the new
lock last year to one of the doors -

Marble Carpenter built Med. Col. will
or recollect the sliding door between
Bryant the lecture room & the small private
one
