

I told him several times I would pay him if possible the first week of the October if he would make the interest one year - instead of waiting till Jan 22^d the time the pay^t was due many efforts to make him do this - finally to get the money he consented & I paid one year int. Setting off as I said the pay^t before due, against making him wait till 22^d Jan^y -

Dr Jones's testimony that Littlepie told him he suspected me, & he knew any one else had or any thing been said about me,
