

be explained to other instruments - as, the  
hammer - the hatchet & the saw with  
blood on handle

7. Possibly the Gov<sup>t</sup> may contend, that the  
evidence relative to the following objects may  
have some tendency to show preparation on the  
part of Dr W to remove a disfigure of the  
remains - to wit

1. The fish hooks
2. The tin Box beforesaid at Waterbury
3. The wooden Box said to belong to James
4. The Box of tannin " "

8. The Gov<sup>t</sup> will probably contend that  
inferences unfavorable to his witness can be  
be drawn from certain acts and  
statements of Dr W. - as follows

1. The care and particularity of Dr W  
when giving an account of his interviews with Dr P  
on Friday to connect with it a statement of the  
circumstances of the preceding Tuesday.

{Mem<sup>o</sup> - did not see Dr W. did not write to Dr P  
to call on him Friday - which was  
sent by L. as early as Wednesday or Thursday
