If you should care to have a copy of the above, return this letter with a check or money order in the amount of \$66.00. The charges for photocopies are:

\$1.00 per page for all volumes regardless of size
and for sheet work measuring up to 16 inches in length
\$2.00 per shot for sheet work measuring over 16 inches in length

A service fee of \$1.00 for every 25 pages ordered has been included in the total cost. Please note that photocopy charges are made on the basis of the number of document pages copied, not the number of photostats or projection prints you receive. For example, if our cameraman can get two pages of documents in one shot, you will still be charged for two document pages. If you wish to have certified copies there is an additional charge of \$1.00 per certified document regardless of the number of pages in the document.

Processing photoduplication orders may take from four to six weeks. Our accounting procedures require that we complete the order before depositing payment.
