

File No. 10571 Continued.

OPINION.

8311

This consent was, of course, made with the approval of the Mayor and other officials, but, having brought about, by such consent, the construction of a substantial pavement, the property owners who thus acted no longer came within the purview of the above Ordinance.

I do not see that the present case involves the same state of affairs, - on the contrary, it seems to me perfectly clear.

Yours truly,

(Signed) W. H. DeC. Wright,

Assistant City Solicitor.

Kindly be guided by Mr. Wright's conclusions.

Truly yours,
