payments, if made, must be done entirely upon the discretion and authority of the City Register and under his own responsibility. In my own opinion, the interest on City stock should not be paid except to the person or persons to whom the certificates for the same have been issued.

File No. 22938

Baltimore, May 10, 1917.

Mr. E. Walter Jochenning,  
 Chief, Bureau of Minor Privileges.

Dear Sir:

Yours of the 5th inst. received.

You say -

"This morning the Marshal sent here to know if Article 48 of the Baltimore City Charter 1893, Section 36, was still in effect."

I presume you mean Section 136, because Section 36 has no application. Section 136 provides -

"Any person or persons who shall place or set any goods, wares, merchandise or vegetables or fruit, by way of exposing the same for sale, so as to project a distance of more than three feet from his or her house or store shall forfeit and pay a fine of Five Dollars (\$5.00) for each and every such offence, to be recovered as other city fines and penalties are recovered."
