

Charles C. G. Evans, Esq., City Solicitor (cont'd)

officers not embraced in a department, and all special commissioners or boards, except as otherwise provided in this Charter * * *." (The City Purchasing Agent is a municipal officer not included in any department)

and Section 271, which is the Classified City Service, and which provides for the appointment of all municipal offices and positions to which appointments are made by any person or persons other than the Mayor or the City Council.

I am not going into further detail as you already know what steps are necessary to effect a Charter Amendment, and I will not do anything further on this opinion until advised by you.

Very truly yours,
