Dear Frank

The  
Tobacco seed that I promised  
you last spring I have  
just received it, and  
the name of it is Mountain  
Pear, it grows very large  
on good land and it has  
a very bright color and sells  
very high, and I hope  
you will get, and let me  
know whether you do or not,  
I am in as good health as  
I ever was and they are  
all well at Henry's except  
Sarah and she has presented  
him with a very fine  
daughter, I want you to
