

Ruth should suffer  
as she has been good  
in every way. Walter  
Wise appears a little  
hopeful of some improvement  
that may prolong her life,  
but I am afraid that when  
warm weather comes, unless  
I can get her farther north,  
up to Saranac, New York,  
her end will come with  
the warm weather. I am  
trying to save every cent  
for that but I know I can't  
do it, but am going to  
try to be ready as near  
as possible so that if it  
will prolong her life to  
send her there I can  
do it. I expect that is
