

Cah Len Thursday Morning

Your letter my Dear Girl I received  
by Alexander and should have answered it before this  
but have not had time as I went to Centre Ville  
the day after I received it. I am sorry to inform  
you that my Dear Mother has been much  
more indisposed this week than she has been  
for some time. Nancy has much recovered but  
has had the tooth ach for some days. The rest  
of the Family are well. I heard of Capt. Os-  
bipping Miss Thomas handkerchief, but  
that was nothing to what I have seen him  
do. however I must confess that I think  
him the greatest fool I ever met with
